

॥ केतुध्यानश्लोकः ॥

ॐ पालाशधूम्रसंकाशं तारकाग्रहतारकम्।

रौद्रं रौद्रात्मकं घोरं तं केतुं प्रणमाम्यहम्॥

I bow to that Ketu, the One who has the appearance of the smoke from Palāśa wood, the Planet that seizes other Planets, the fierce One, the One with a fierce nature, the terrible One.
